

## Product description

DM Ferro Glossy Whiteboard Film 500 $\mu$  is a flexible and light weight self-adhesive ferrous material with a patented dry-erase surface treatment. It can be used again and again, simply write on it with a dry-erase marker and wipe it off. Magnetic accessories, prints and markers can also be attached to it, making it a truly universal product for use at home, school, restaurants, retail stores and offices.

## Shelf life and environment aspects

The shelf life of this media is 1 year under normal conditions (10°C – 35°C at a relative humidity 30% - 75%). Higher humidity and/or temperature can affect the product performance. Always store the media in a dark place in its original packaging.

**Important:**

Before using the media the user must examine the suitability of the media for each application. We shall not assume liability for non-performance of the media. Specifications are subject to change without notice.

## Physical characteristics

Surface: Glossy dry-erase  
Base material: Flexible ferrous film

Thickness: 500  $\mu$

## Features

- Flexible ferrous film
- Adheres to magnetic surfaces
- Indoor use only
- Light weight
- Universal product
- Patented dry-erase surface
- Permanent self-adhesive layer
- PVC-free

## Applications

- Retail advertising
- Education
- Office boards
- Interior decoration
